HUGUELY
NEWSLETTER

REUNION
1998

Greetings to the Huguely Family Members:

We have been blessed for another year, able to meet and greet our loved ones at the *44th Annual Huguely Family Reunion*.

Many exciting events have taken place in our lives. One exciting happening was the 1997 Reunion in Maryland. All that attended were overwhelmed with love, hospitality and adventure. To give you a "birdseye" view of our stay, take a look at this itinerary from Monday through Sunday.

Huguely

F A M I L Y R E U N I O N

9:00 am - 1:00 pm **COLUMBIA MD**
Huguely Reunion Breakfast/Brunch, Business
Meeting, Terrace Room
1:00 pm Bus Departure for points due West

That's fantastic, isn't it? One of the attendees stated "This is the first time I have ever gone on vacation and got up earlier than I do to go to work, but I enjoyed it."

Again, we wish to thank all of the wonderful people in Maryland for such a beautiful trip and a Reunion to remember.

But now, let's see what has gone on with us since then.

LYDIA HUGUELY & JOHN ZEKE BUSH BRANCH

Edward Oliver, formerly of Cincinnati and now residing in Waianae, Hawaii, and Dottie Broomfield of Cincinnati have just returned from an extended trip to Anchorage and Fairbanks, Alaska, by way of Seattle, Washington.

Ed comes home (Cincinnati) in May and returns to Hawaii in September. He has expressed the desire to host the Reunion in Hawaii.

Alma Jackson celebrated her 86th birthday on July 22nd. She states "It's beautiful to see 86 years!"

Sheila and Harold Wells are the proud grandparents of a baby girl, Taylor Grace, born to Kimberly (Gracie) Haynes and Woody Allen on September 3, 1997.

Allison Bush Cobb has returned to Cincy from Houston and is managing the "Popeye's" chicken and biscuit restaurant franchise owned by former baseball player Dave Parker.

Keith and Pamela Williams are awaiting the birth of their little one in September. Keith is the son of Ella Bridges.

All of the above are grandchildren and great-grandchildren of Lydia Huguely and John Zeke Bush.

MACK HUGUELY & MILLER TURNER BRANCH

As the host family for the 43rd Huguely Family Reunion, James, Alice, Terri, Michael and Erin Cornelison, along with the other committee members--Kenneth Cobb, Lucille Ellison, and Eric Harris--continue to sing your praises for coming to Maryland last year. You were a wonderful bunch of kith and kin to plan for.

Jim and Alice flew to the windy city to visit Erin in March and took in the Oprah Winfrey Show and the movie "Titanic." Terri, Michael and Erin have done a hodgepodge of fun activities since August, 1997: one vacationed in Puerto Rico, one cruises up and down the east coast in a fancy sports car--an Acura NSX, while one bakes a mean chocolate chip cookie with the big chocolate chips and chunks of nuts. We thank God for blessing us with fun things to enjoy to even out the rough spots in life.

Eric Harris, his Mom, Donna Harris, and other family members traveled by train to California last month. After four fun-filled days on the West Coast, they boarded the train for Denver, Colorado to attend the Morgan Family Reunion.

Lucille Ellison has also been traveling. First, to the Detroit, Michigan area in April for a regional conference; then off to the Quad Cities of Iowa and Illinois to attend the Women's International Bowling Tournament. In June, she spent five wonderful days in New York City followed by a trip to Chicago, Illinois.

LUCIAN HUGUELY & ELIZABETH COVINGTON BRANCH

Greetings from the Lucian Huguely & Elizabeth Covington Branch, we are so glad to see you.

Antoinette Miles (Toni) has been promoted to Regional Vice-President for Interactive Business Systems, Inc. This is an information system consulting firm located in Chicago, Illinois. She is responsible for management of all branch offices in Ohio, Kentucky and Indianapolis, Indiana. Toni is the daughter of Margaret Moran.

Luciana, Toni's daughter, completed her sophomore year at Summit Country Day School in Cincy. She was accepted and attended a summer Honor's Program at Indiana State University. The Miles & Huguely families are very proud of her.

Erika Kennedy, daughter of Sammie Kennedy, just completed her first year at Florida A & M University. She is now doing an eight week internship with Frito-Lay in Plano, Texas. While there, she is enjoying visiting with her classmates who reside there and her cousins, Pamela Deal-Chance, Tina Deal, Michael Derricks and Mickey Thornton. Erika celebrated her 19th birthday with a visit from her mother and a cookout at the home of Pamela and her husband, Arthur.

Tanisha Diane Huguely, daughter of Gary and Sue received her BS Degree in Sociology from Eastern Kentucky University on July 30, 1998.

Toni, Lucian, Erika and Tanisha are all grandchildren of the late Lucian Huguely and Madge Huguely.

I received this interesting information from Melody and Brandi Huguely in Atlanta, Georgia.

Greetings from Atlanta, Georgia. God has truly been good to us. We wanted to share the blessings of the Lord with you.

Brandi La'Shae Howard is a **straight "A" Honor Roll Student** at West Clayton Elementary in Riverdale, GA. She will be graduating from 5th grade on May 29, 1998. She is the granddaughter of the late James Allen Huguely and daughter of Melody Huguely, great niece of Ms. Jean Farr.

Brandi is currently enrolled at Morehouse school of medicine Ben Science Academy Program for elementary and middle school division. She will be in her first middle school division program this summer. Brandi has ambition to become a pediatrician. Her role model is Dr. Ben Carson, author of "Gifted Hands." This year will be her 3rd year of attendance.

On Sept. 9, 1997, I received my incorporated license from the Secretary of State of Georgia, for BLH Consulting, Inc. My goal as CEO is to start a Upward Bound Program for grades 7-12, focusing on academic enrichment to enhance the learning skills in Math, Science, Language Arts and Computer. With this program, I am hoping that more youths will apply and succeed in post secondary education institutions. I am working very diligently (Proverbs) to get the program running for the next academic school year.

We are hoping to see everyone this year in Richmond. Keep us in your prayers. We love you so very much. The blessings of the Lord maketh rich and addeth no sorrow. We are currently members at World Changer's Church, Inc. Pastor Creflo A. Dollar, Jr. I work in the Hospital ministry and Brandi is in the Children's Ministry.

The son and daughter of Michael and Jackie Derricks have really made this a banner year for themselves. Thomas was accepted at Jesuit College preparatory school. He will be a sophomore. He was inducted into the National Junior Honor Society and the National Beta Society, received the Sons of the American Revolution Citizenship Medal, Captain of the football team and named "MVP" of the track team for being district and city champion for the shot put all three years at Apollo Junior High.

And for little Jackie, she's our softball champion pitcher. This is one of the games you read about. "No outs, bases loaded, winning run at bat, Jackie strikes out all three batters and adds another win for her team." Great work Jackie. She plays for the RSI Braves, 14 and under Girls Little League. She is an 8th grader at Apollo Junior High. Jackie is also a computer whiz and is busy teaching big Jackie how to use it. Thomas and Jackie reside in Richardson, Texas, a suburb of Dallas. They are the grandchildren of the late Mae Emily Derricks.

Greetings! The past 12 months have been bittersweet for our family. As most of you know William Turner has had a very rough year. His health problems have given him quite a challenge. But we are happy to report that after several (often long) hospital stays, surgeries, and tests, he is on the mend and is able to join us this year!. It was through the continued love, support, and visits from both family and friends that helped sustain his struggle. However, the most thanks and praise goes to our heavenly Father and Creator, Jehovah God. Make sure you say hello

to him and Jeannie this year. They are glad to be "home" and are looking forward to enjoying Williams' "early" retirement!

Their son, Marcus is not able to attend this year. He sends his love and a warm hello. He has kept his year busy between two continents directing music videos in Paris, France for the HipHop group "Psychopat" and directing a public service announcement in Washington, D.C. with none other than General Colin Powell! He just finished directing reggae superstar, INI Kamdzes' music video for his latest single, "King Stock." He is still eagerly looking forward to directing his first original feature film. So, in the meantime, all you music video fans look for "directed by Marcus Turner," and as Marcus would say, "See ya at the movies!"

Not to be outdone by her continent hopping brother, Stephanie has taken a few excursions herself. When she is not busy as a police dispatcher/trainer helping to keep the streets of Cincinnati safe, she may be found anywhere. Some of her most recent points of interest include Nassau and Paradise Island, Bahamas, South Beach, Miami, Florida and she leaves for Palm Springs, CA next week! Working part-time for American Airlines and due to her commitment to excellence in customer service, and her good communication skills, she is a formative member of a local task force organized to enhance and improve customer service relations at several of the busier hubs American services. So, expect to see her in a city near you soon! And she juggles these two careers while raising three academically stable children. She is not able to join us this year, her children are hoping to bring home ribbons from the city wide final swim meet this weekend. Be safe and see you next year!

GREEN GENTRY & EVEREE HUGUELY BRANCH

The younger generation of the Everee Huguely - Green Gentry Branch is moving right along.

Randall Patrick Cobb is attending the Univ. of Detroit-Mercy, a student in mech. engineering. His sister, Roxanne Rene Cobb, a recent graduate of UD-Mercy, will be getting married in October. These are the children of Mr. & Mrs. Roger A. Cobb.

Damon E. Marton graduated from Martin L. King High and will attend Fisk University in Nashville, TN in September. He will be studying elec. engineering. He is the son of Mr. & Mrs. Duane Morton.

John McClain, Jr., fondly known as "Jay", also graduated from Martin L. King High. In September, he will attend Oral Robert's Univ., Oklahoma. He will study Psychology. Jay is the step-son of Dr. Linda Cobb-McClain.

THE STEPHEN M. HUGUELY/ALLENER HATTON BRANCH

Greetings to all our relatives in the name of our Lord and savior Jesus Christ. We are very thankful the Lord has permitted all our branch family to see another reunion. Amie and Albirda Gillispie remain at the Madison Manor Care Center at 131 Meadowlark Drive in Richmond. Enoch remains at the farm and continues his recovery from open heart surgery. He spends his days visiting Amie and Albirda. They send their best wishes to all family members and ask for your continued prayers.

Christopher Gillispie will be a senior at Valparaiso High School (VHS) this fall. He was inducted to the National Honor Society this Spring. Chris is looking forward to a very busy senior year as he balances selection of a college while serving as Vice President of the Band and Treasurer of the National Honor Society. Chris has attended two Student Leadership conferences this past year. He has made the adjustment to a new school in his junior year and was a vice president candidate on the ticket that forced a run off for leadership of Valparaiso High School student council. He is currently considering attending Valparaiso University (VU), Bradley, Drake and Furman.

Adel Gillispie will be a junior at VHS and hopes to play basketball this fall for VHS. She is a member of VHS band and a member of Jack and Jill teen group. Adel was on the honor roll and is taking Drivers Education this Summer. Adel and Chris continue to work at Valparaiso University for Dining Service.

Del Gillispie has completed her first year as a biology instructor at Washington Township High School. She was featured in the newspaper for several of her innovative class activities. She is the only minority instructor in the East Porter County School District. She is taking Internet courses this summer at VU and participating in a Job Shadowing program for educators.

Charley has made a remarkable recovery from his stroke and we are very thankful to God for this recovery. He suffered the stroke approximately three weeks after attending last year's reunion. Charley was able to return to work on a part-time basis within one week of the stroke. You may have seen him in the Valparaiso University basketball team dressing room giving the pregame prayer during the NCAA tournament. This was most unusual experience to be part of the Cinderella story and travel to Oklahoma City and St. Louis. Ask Charley to show his NCAA watch and ring.

Charley became the first African American member of the Valparaiso, Indiana Rotary Club in June.

HENRY COLLINS & NANNIE TURNER BRANCH

We too must be dependent on our Father up above,
For we are but the branches and He's the tree of love.

Ethelene Smith went to Huntsville, Alabama the last week of May with a group of her friends. She really had a good time. She also celebrated her birthday while she was there.

Sad news, Betty McKenzie's step-mother died May 14th in Alabama. Our love and prayers are with Betty and her family.

Henrietta and David Lewis celebrated their 13th Anniversary June 29th. Our congratulations to the Lewis'.

The month of March was a wonderful one for Carolyn and Richard Harris, not only did they celebrate their 35th Wedding Anniversary, but were blessed with their first grandchild, a baby girl, Korrie Rhea. Her dad is Brian, the Harris' youngest son. Craig, the older son, is enjoying working with the surgery unit at Central Baptist Hospital.

There are a lot of people I've missed but that's because the information was not sent to the office. Next year please get it to us, you know its so much fun reading about everyone's activities and then talking with them and getting the real "nitty gritty".

Next year, Lord willing, I will be retiring and then I can join all of you "leisure folk." There will be time for me to do all the things I've wanted to do. So, I'll be seeing you all next year.

Love,

Pattie B. Jeffries, Secretary
Huguely Family Reunion
