## **PRESIDENT'S MESSAGE**

**The Representative Council, Host Committee, and I , welcome you to the “47<sup>th</sup> Huguely Family Reunion. We hope you have a wonderful time.**

**Our theme “2001-A Family Odyssey”, brings forth thoughts of the foundation of our reunion which was laid forty-seven years ago; the faith, accomplishments and achievements and how each generation has continued to reflect the insight, strength and faith of our ancestors, keeping in mind the same purpose and the commitment to the Reunion’s continued growth.**

**We are looking forward during 2001 to seeing another generation picking up the torch and connecting to continue the flow.**

**Seeing the older generation joining in formation into a following position, supporting and guiding the young adult leaders, who take the point position for our youth, by giving instructions which are encouraging and not something less helpful.**

**We can support those leading our youth and be only a “honk away”.**

**May God continue to bless and keep you.**

**“Loads of Love”**

Greetings from the Lucian Huguely & Elizabeth Covington Branch. Our wish for each member of the Reunion is that God continue to order your steps, bless and keep you.

During this past year there has been some physical brokenness but we are not spiritually broken. We continue to give God the glory and praise.

Several of our members have been seriously ill. Mr. & Mrs. Roosevelt Kavanaugh lost their home and all belongings to fire; and our deceased member, Mr. William Turner will be sadly missed.

We are thankful that the ill individuals are mending. The Kavanaugh family are back in their home and for the life of William.

### The John A. Huguely Branch

Hello Family Members:

After hosting the 2000 reunion, I decided that I needed a break from the rat race. So this past May I took two weeks off work and headed for Germany. Dear people, I enjoyed myself immensely! I flew to Frankfurt and stayed in Mannheim for a few days with a friend. From there, we visited several other cities in Germany, France, Austria, The Netherlands, and back to Bavaria. The weather was great, the people were friendly, and most of all, the beer was fantastic! I plan to go again in 2003.

So Detroit Kin, remember to reserve some time for yourself after the family gathers there this year.

Love you,  
Shelia

Tyson Harris, son of Tim and Jauan Harris of Denver, CO., graduated from high school on May 25, 2001. Tyson will attend Johnson & Wales University in Ft. Lauderdale, FL this fall. He plans a major in International Business. Good Luck, Tyson.

## Mack Huguely and Millie Turner Branch

Greetings to All!

2001 for the Cornelisons and Ellisons has been filled with everything from the ordinary to the spectacular. The headliners for this year are Michael Cornelison and Carol Priestley. They were married on a warm January day in Vienna, Virginia. On June 17 about a month early, their son, Jason George Cornelison was born. The proud and sleepless new parents are settling into their new life roles. They live in the greater Philadelphia area where Michael continues to practice law and Carol, who received her law degree in May, does as much work from home as little Jason will allow.

Michael, Carol and Jason will not be able to attend the reunion this year but please take a moment to congratulate Alice and Jim Cornelison in their new roles as grandparents.

Apparently, Michael is not the only family member capable of setting down roots. Jim Cornelison has successfully organized and brought to life the Baltimore Regional Community Male Chorus (BRC Male Chorus). The mission of the chorus is to enhance choral music by singing a variety of songs, including anthems, hymns, negro spirituals and light gospel, all to the glory of God. The group is open to all men in the Baltimore/Washington area. Dr Victor Myrick, a well-known local musician and composer is the director. What a remarkable undertaking complete with hurdles along the way! With God on their side, it will be done.

At the 2000 reunion in Denver (Thanks again, Sheila and committee, for a great time!), Jim and Bernice Johnson (Lexington KY), were thrilled to discover that they were double cousins from a casual remark made by Lucille Ellison in the hospitality room on Saturday night. The next morning at the brunch, they were still rejoicing. For Jim and Alice, it has been such fun chatting on the phone and getting to know Bernice.

Jim and Alice Cornelison welcomed spring 2001 by flying to Chicago to spend a few days with Erin. Spring arrives later in Chicago than in the Baltimore-Washington corridor, evidenced by old snow on the side of Erin's yard that gets little of the winter sun. They rented a car for a casual drive home and to stop in Cincinnati for a few days to visit Lucille Ellison, David Ashley and a couple of Jim's long-long-long-time buddies. Lucille went with them to the cemeteries in Wyoming and Hamilton where flowers were placed on the graves of relatives from both sides of Jim's family. They especially wanted to see the recently completed marker for the grave of Jim's mother, Amy Huguely Cornelison. It's a good thing they made the cemetery visit because the marker was on the wrong grave, on the other side of the road in a newer section of the cemetery in Wyoming. Jim and the cemetery caretaker found the grave location recorded in the cemetery ledger in the spot that

Jim had remembered from a prior visit. On their next trip to Cincinnati they will see if the stone is in its rightful place.

This past April, Lucille Ellison traveled to Wildwood, New Jersey to site-see with the Christian Travelers of First Baptist Church of Walnut Hills. Wildwood, also known as the Island of Five Mile Beach, was first gazed upon (by English eyes) in 1609 by Robert Juet and Henry Hudson while on a voyage seeking a new route to China. Eric Harris, who unfortunately will not be attending the reunion, has had a sports filled summer playing baseball.

Terri Cornelison worked, worked, worked, worked, worked, and lost her golf swing. She traveled to Buenos Aires, Argentina to speak at the International Gynecologic Cancer Society meeting and while there learned to tango. Ask her for a lesson. She also traveled to Montreal, Canada and displayed her patriotism, albeit on demand, by reciting the pledge of allegiance to the US Customs agent for reentry back in the United States. She did not have her passport.

Erin Cornelison has had a quiet and gratifying year working hard in Chicago. Last fall, she traveled to San Francisco and trekked through wine country. She also ran the Chicago Marathon (26.2 miles) last October. After digging herself out of 40 inches of snow last December, she managed to thaw out just in time for her parents visit in early Spring.

Well, that's all the news from the Mack Huguely and Millie Turner Branch, where all the women are strong, the men are good-looking and the children are in a hurry.

### ***THE STEPHEN M. HUGUELY BRANCH***

Greetings to all our Huguely cousins and friends in the name of our Lord and Savior Jesus Christ. We are thankful the Lord has blessed our family to see another family reunion. Amie Gillispie resides at Madison Manor in Richmond, Ky and we ask your continued prayers for her health. She will celebrate her 92<sup>nd</sup> birthday on August 22, 2001. We give thanks to the Lord for her long life. Enoch Gillispie resides on the family farm at Union City, Ky.

Albirta Gillispie resides at the Nathaniel House at 226 Britany Court in Richmond. She refers to this as her home. She has somewhere to go every day and has become the regular run about. Charley teases her that he needs to make an appointment to catch her at home. A van services provides transportation for Albirta to many exciting events, shopping and dining.

Charley and Del Gillispie continue to be employed at Valparaiso University; Valparaiso, Indiana as Vice President for Administration and Finance and as instructor in the Biology and Education departments, respectively. Charley was elected a member of the Board of Directors of Horizon Bank, a publicly traded bank corporation. Del is active in the Valparaiso chapter of the Valparaiso Guild, serving as Secretary and Newsletter Editor. She is a member of the Hilltop Neighborhood Board of Directors and is active in Valparaiso in working against and monitoring hate crimes.

Adel completed her freshman year and will be a sophomore at Valparaiso University this fall. She was active in the Union Board and Black Student Organization. She works in the Student Union Games area part-time. Christopher Gillispie will be a junior at Valparaiso University this fall. Chris is very active on campus. He is member of Sigma Chi fraternity, Delta Sigma Pi, a business fraternity, student senate, etc. He was selected new member of the year for the fraternities on campus.

The Gillispies spent Thanksgiving in Anchorage, Alaska when they accompanied the Valpo basketball team to Alaska for the Great Alaskan Shootout. On Thanksgiving Day the family was given a guided tour of Elmendorf Air Force base by a Colonel. Charley had been stationed at Elmendorf from 1968 to 1971. He enjoyed showing his family where he was lived before they knew him. He was surprised to receive the guided tour from a Colonel, but the Colonel knew he would not remember how to get around after 30 years. This year we hope to accompany the basketball team to Hawaii for a tournament at Christmas and stop in Arizona on our return flight for a tournament at University of Arizona.

Almira Dunn celebrated her 90<sup>th</sup> birthday on July 25, 2001.

We wish everyone God's blessing and ask that you pray for our family this coming year.
