New Business

2014 reunion report Troy Huguely/ Toni Miles. Troy asked if there was anybody in the Cincy area that would be able to help the executive committee along with Toni Miles plan the reunion. Reunion title:

Cousin Toni is looking into a few hotels: Westin hotel, Springhill suites. Looking into having the banquet at the horseshoe casino. And doing a day with the Reds that would include food, a game and a tour of the hall of fame.

Bylaws change from 50 to majority. As an amendment. Shorty passed out a visual copy of the amendment. By law committee stands as an ad hoc committee.

Records round up; asking old officers etc. to send in old copies of by laws.

Toni said many of the old documents are in the time capsule at the family grave site. To be reopened year 100.

Troy asked for people to be on bylaws committee: those accepted Charlie Gillespie, Sandra Barnes, Lucian Huguely, Felicia Shearer.

Mike Runyon spoke about lexkin and the fundraising ideas: last year they did a raffle. Other ideas: fish fries

Troy raised idea about becoming a non-profit organization: Toni brought up that, that had already been investigated and we would have to provide a service for the community outside of the reunion

Del Gillespie recognized: Brittany Heath(Xavier university), Raven Shearer, and Kendrick Williams (Columbia University) all received 300\$ apiece.

711\$ collected from passing the hat for the scholarship fund. Cousin Tim decided to donate \$289 to make an even \$1000.

Troy asked if anyone wanted to host 2015: No one responded

Detroit is thinking to plan 2016 in Chicago

2015 was taken by Lexkin

Open floor: Del Gillespie was commended for Huguely Newsletter and made a motion to help pay for cost of newsletter. Vicki suggested to submit receipt for reimbursement Charles Gillespie (Del's Husband) asked that money be submitted to the Huguely college fund.

Linda McClain wants to post Huguely corporate prayer on website/facebook. She was asked to submit prayer to secretary for distribution
