Old Business:

Cincy initial report by Troy: Had 96 people attend the banquet. We booked 12 rm.

65 people paid dues, 10 adults 6 kids: aquarium, 22 adults, 9 kids: freedom center.

Boat ride: supposed to be 17 people but not all showed up.

Vicky made a comment and wants the reunion to keep in mind the inconvenience of people not responding in a timely manner to receive group rates for activities. Cousin Shorty commented how tough it is for the host family to host and how important it is for us to support the activities/hotels the host family provides so that people will continue to want to host. We can't do this if we are divided. We need to change the system if we are not going to participate in the system. Host family should also consider the cost so that more families can afford to come.

New Business:

Lexkin : report by Mike/Dawn Runyon; Aug 6-9 in Lexington theme of homecoming. Some of the ideas is to take it back to the way it started. They want to have a family picnic around the big tree. Want to have a family cook off with judges. Want to showcase the city attributes (tours) UK, distilleries, show the richness of Lexington. Homes may be open for family members to stay. However, Mike Runyon Jr, mentioned family members have to let us know what the needs are of the families. Relay race type games: back to the basics.

Special Call to action(Run for the Hugueley): By Cousin Shorty

Reunion expansion: Wants everyone to accept this charge for being responsible for talking to 5 people officers 10, and bring 1 person (2) for officers. To the next reunion

2016 Detroit: Linda McClain voiced her excitement about hosting and possibly moving Reunion out of Detroit and into other parts of Michigan

Charlie Gillespie spoke about the family mentoring program that will start this year. Names were collected at the banquet and he accepted the responsibility of calling those who signed up

Cousin Shorty reported that 26 people took the pledge to bring family next year

Dawn/ Mike Runyon are looking for people to sign up to help in the lexkin. The next Lexkin mtg is Sept 27th.

Troy asked for historical documents to be returned, people to pay their dues and for seed money to be collected promptly so that the host city can have what they need to secure banquet halls, dj, rooms, etc for the reunion.

Vicki Mitchel mentioned that Faye Starks will no longer be able to collect Dayton's seed money and that another person should be asked. Brandan Durham was asked to help with that.

Ruth Harris asked a question about dues: What they are and what they are used for... Donna Clark then explained the difference between seed money and dues and what each are used for. Seed money: collected by branch rep. Dues(20\$): should be sent in when ever

Suggestion made by Janika Blamo to add reminders to the facebook page about seed money, dues, and mtg dates.

Mtg. adjourned 11:26
