MACK HUGUELY AND MOLLIE TURNER HUGUELY BRANCH

From Jim and Alice
Cornelison, Ellicott City, MD

We are grateful that it's been a quiet year for us. We're doing well, thank you, thanks to exercise, wonderful friends, fun things to do and good health insurance. We drove to Cincinnati to check on Donna Harris, her twenty-something year-old son, Eric, and some of Jim's long-time friends from childhood and his working days in Cincinnati. We've been away from the Midwest for 36 years since 1975 when we moved to Miami, FL, for three years before moving to the Baltimore-Washington area in Maryland, where we've lived for 33 years. We are two old people now, (and happy to be so). Those trips to Ohio, Illinois, Michigan, or Massachusetts we used to make in a day, we don't push straight through anymore; we drive for a few hours, stop at a motel in the afternoon, have a relaxing evening, and finish the trip the next day.

We were delighted to have our cousin-nephew, **Kenneth Cobb** from California and our daughter, Erin, here for the July 4th extended weekend. Besides spending time with us, **Kenny** drove to NYC for his often jazz-filled weekend, spent time in the DC area and Baltimore with family members on his mother's (Emma Jefferson Cobb) side and his former work buddies, joined **Erin** and us at **Terri** and **Jetty's** for their annual July 4th bash, (always held on the 3rd), spent the night at Terri's with us, then the next day went to a big cookout in Baltimore, etc., etc., etc. **Kenny** can crowd more activities in a few hours than anyone we know. He surprised "Aunt Alice" with a gift certificate for spa visit in honor of her 75th birthday on July 8. We love having Kenny stay with us.

Jim is faithful about his fitness center workouts for two hours, three times a week. He admits that he and his fellow retired comrades do a lot of chatting about personal problems and world

events. For an 80 year-old guy, his arms and chest are muscular and his grip strong. The Baltimore Regional Community Male Chorus that Jim started several years ago is having a major concert on Sunday, September 25th, 4:00 PM in downtown Baltimore near the Orioles Baseball Stadium at the Old Otterbein Church. You are welcome to come and shock us to death.

Alice is seriously busy discarding the accumulations of stuff that accompanies 53 years of married life—books, photos, old clothes, manuals of appliances long gone, etc. The weather tragedies in the US this spring where one's home can be flattened to nothing in seconds, one's life taken, and personal belongings blown into other states have reinforced for Alice that getting rid of stuff is a good thing to do rather than having Mother Nature do it for her. God likes order: *1st Corinthians 14:40* says that everything should be done in a fitting and orderly way. **Alice** goes for long walks at 5:45 most mornings of the week

as the dawn is breaking and again most evenings just before sunset. Playing bid whist with a group of funny senior women is a treat.

Our kids—**Terri** and husband **Jetty** in Laytonsville, MD, **Michael**, wife **Carol**, and grandson **Jason**, outside of Philadelphia, and **Erin**, outside of Chicago are all doing well. They haven't been to a reunion for a while but they do pay their dues each year. **Dr. Terri**

Cornelison is Program Director Breast and Gynecologic Cancer Research at the National Cancer Institute at the National Institutes of Health in Bethesda, MD. You can see her in a You Tube video posted by the National Cancer Institute on Cervical Cancer Awareness. **Jetty** is an attorney in the DC area and **Michael** is partner in a patent law firm in Philadelphia. **Carol** practices family law in the Philadelphia area. **Erin** is an upper level

sales configurator of an international company, OCE USA, Chicago. We have no idea what a configurator does but she does, so that's what matters.

Our one and only grandson **Jason**, age 10, is into summer sports and summer camps before fall school and more sports begin. His mother says he's the only grandchild we will get, so we wish Carol had had twins or triplets when she had Jason, but that was not our call.

Since we don't have much news because our branch is now small, if space allows we want to share some insight with our Huguely family on things to do before retiring. We're sure that other Huguely retirees can add to the list. Here goes:

1. Make sure you tell your spouse in plenty of time you plan to retire so you both can work out financial and health insurance details.
2. Get all house remodeling, new appliances, furniture, floor treatment, roofs, furnace and air conditioner units, water heaters, auto repairs, painting, etc., paid for.
3. Try not to need a new vehicle for two or three years.
4. For fun, plan and pay for a nice cruise or other vacation trip you can take the first year of retirement, even if you've done several cruises or trips before.
5. Learn how to smile and say "No" politely to people who want you to fill up your time with their projects.
6. Think about having a little job on the side already in place that is fun for you to do.
7. Plan your finances wisely. Have your will, power of attorney, advance health directives, etc. already done.
8. Have an exercise regimen that you can stick with.
9. PAY OFF ALL CREDIT CARD DEBT and stay out of debt.
10. Expect to have the best years of your life in retirement.

Love & Blessings to our Huguely Family from the Cornelison Clan.

Marcus Turner, son of the late William C. and Norma Jean Turner in the Lucian Huguely & Elizabeth Covington branch of the family.

Marcus Turner has joined the Media Studies faculty at The New School in New York City as an Assistant Professor of Filmmaking. The New School is a liberal arts university located in Greenwich Village that is committed to educating radical thinkers for future solutions. The New School was the first university to offer a course on race and African American culture which was taught by W.E.B Dubois. This appointment will allow Marcus Turner to continue his work as a socially conscious filmmaker exploring African American culture and to help inspire others to achieve as well.

Blessings to all the Huguely cousins!

We have approached another year where we will gather and give big hugs to everyone we see.

This year has been a sad year, but through it all we Praise God !

In the spring we lost two loving members of our family. **Norma Gentry Brack**, daughter of the late George Gentry and Lillian Ballew Gentry. Sister to Paulette and George.

We also lost **Aaron Parker Ballew**, brother to Lillian, Tom, Thelma and the late Johnnie Ballew.

Mary Ballew is comfortable at home in the care of **Sandra and Vicki**. Send a card from time to time..... She loves hearing from the family.

After 12 years....**Tim** is still making cars at Toyota.... God is good ! He is in his 14th year in the Army National Guard. We thank God daily that he has remained in the United States. But most of all he enjoys the open road on his Gold Wing.

Lauren has completed her sophomore year at Kentucky State University on an Academic Scholarship and will enter her junior year majoring in Accounting. She too, is enjoying the open road with her dad on her Harley! You go Girl!!!!!!

As for me..... well I am searching through the rocking chair catalogs, trying to choose a comfortable one to be used in 2 years and 6 months. Retirement..... YES !!!!!!!!!!!

Love to all and we hope to see you in Detroit!

Greetings from the Durham's in Dayton, Ohio

Another year of being blessed! **Walter** has retired from his job working for the county. He is now concentrating on his XPRESS CLEANING OF DAYTON business. **Brandon** is still doing home appraisals and taking real estate classes. **Veeda** is still working in the school system.

Grandchildren are doing well. **Danielle** graduated June 11 from the University of Cincinnati with a BA in Early Childhood Education. She signed a one year contract to teach English in South Korea. Her location is outside of Seoul. Since being there, she has traveled to Hong Kong and to the Philipines and still plans to do more traveling. She'll be going to Japan sometime in August before she begins teaching. Danielle has some friends already in Korea. She sends her regards. **Antoine**

sends regards from California.

From Richmond:

JD sends regrets that he will not be able to attend this year's reunion. He is still under doctor's care.

Traveling long distances is difficult. He says that he still has pain in his legs, but he plans to see you all next year.

These are the highlights from the **Everee Huguely & Green Gentry** Branch in Detroit, Michigan.

Margaret Ross completed her AIC (Associate in Claims) certificate in 6/2011

Miya Ross completed Bates Academy with a 3.71 GPA

Mary Heath enrolled in classes at Central Michigan University to complete her long awaited Bachelor degree in Human Resources.

Brianna Heath completed her 2nd year at Clark Atlanta University.

Brittani completed her Junior year at Romulus High School with a 3.99 GPA. She is also in a Pre- Med summer internship with an opportunity to shadow a current doctor at the Detroit Medical Center.

Andre Barthwell received his 15 year service pin from Chrysler Corporation. He also continues to receive recognition for his player interviews, sports articles and commentaries for Go Blue Wolverine.com.

Patricia Barthwell completed her certificate in Educational Leadership for K-12 Administrators from Eastern Michigan University in 8/2011.

Patricia also completed editing services through her small business, theediteducator@aol.com, for three novels that are currently in production.

Dante Barthwell completed Edison Elementary with a 3.5 GPA.

DeAndre Barthwell, 14 years old, had the opportunity to showcase "Dre's Pies", his

Apple Pie business, at a book signing for the book "This is How I Rock", written to inspire young people to pursue and showcase their talents.

Janet Morton happily retired from her teaching and administrative service with Detroit Public Schools for over 32 years.

Janee Morton received a full basketball scholarship to Southern University in New Orleans this fall, after completing Kalamazoo Community College. She will join her older brother, **Damon** Morton, who recently relocated with his family to Baton Rouge. Both Damon and his wife are educators with National Heritage Academies.

God has truly blessed the Michigan Clan!

Congratulations to the Huguely Family Reunion Scholarship Recipients - 2011

On September 19, 2010, my Daddy, **Charles Huguely** passed away. The oldest son of **Lucian Huguely** and **Madge Huguely**, Daddy was as a devoted Father, Granddaddy, Husband, Brother, Uncle, Brother in Law, Cousin, and Friend. Daddy attended the Huguely Reunion faithfully until his medical challenges prevented him from attending. He missed not being able to hang out, catch up, and laugh with his family at the Reunion. Daddy's hearty laugh, playful teasing, engaging personality, and "occasional" cocktail were constants at the Reunion. I remember many reunions where Daddy, "The other Charles", cousins, uncles and aunts talking, laughing, and having a great time. I miss my Daddy but my memories are so full of Daddy, our family, and the many fun times we've shared during the Huguely Family Reunion. Thank you to everyone who has

worked so hard to keep our family legacy going strong.

Jacob Huguely & Eliza Stegner Branch

Praise the Lord Huguely Family! We bring you greeting from the **Jacob Huguely & Eliza Stegner branch. Warlener** and **Louis Hughley Sr.** are doing very well in Lexington, KY but will not be able to make this year's reunion do to Louis Hughley Sr. health.

Gerry and **Vicky** Hughley are doing well in Cincinnati, Ohio; **Gerry** is a busy Restaurant Manager at Steak n Shake Restaurants. **Vicky** is celebrating her first year at The Goodwill Industry.

Rodney and Angela Hughley are doing very well in Lexington, Kentucky as **Rodney Hughley Sr.** companies have expanded and Angela Modeling agency is growing very fast.

Debra Hughley Bonds and Alvin Bonds are doing real good in Charlotte, North Carolina. Debra's Church choir has another new album and they are on tour.

Rochelle Hughley Morgan and Kevin Morgan are doing well in Louisville, KY. She is now back to work after a short lay off and she has

received her associate Degree in Business this year.

Rodney Hughley Jr. is getting married to **Nicky** this year.

The Rev. Louis Hughley Jr. just celebrated seven years as Pastor of 2nd Baptist Church in Bloomfield, Kentucky and he is still preaching up a storm.

Pray for us and we are praying for you.

Stephen M. Huguely & Allena Hatton Branch - Christopher Edwin Hopkins-Gillispie

Christopher Edwin Hopkins-Gillispie, son of Charley Edward and Delphina (Del) H. Gillispie, brother of Adella (Adel) Denyse, great grandson of the late Stephen and Allena Huguely branch of the Reunion. Chris graduated in 2003 from Valparaiso University, Valparaiso, Indiana, with a Bachelors of Business Administration (BBA), majoring in marketing, public relations and communication. After graduation, Chris worked in Los Angeles, California, for Hill and Knowlton, a public relations firm, some of his clients were: Motorola, Disney, Coldwell Banker, etc. Chris was featured on the cover of PR Week USA (April 24, 2006). Chris also did a few commercials on television with Motorola – he was featured in a cellular telephone

commercial. A few years later he worked at Coldwell Banker's as a marketing manager in Orange County, Los Angeles. He obtained his broker's license while at Coldwell Banker.

While in California, Chris decided to further his education by attending Woodbury University where he obtained a MBA. Upon obtaining his MBA, Chris was awarded the Wall Street Journal Award, as an outstanding business student – only one student is chosen per university.

He was not content with two degrees and a real estate broker's license, so he applied to several law schools and decided to attend Indiana University, Bloomington, Indiana to obtain his law degree. On May 7, 2011, **Christopher Edwin Hopkins-Gillispie**, graduated cum laude from *(continued on page 8)*

Indiana University Maurer School of Law with a Doctor of Jurisprudence (J.D). He was chosen by his peers as the student speaker at the graduation ceremony. While at Indiana University, he participated in the following organizations: Black Law Student Association, Labor and Employment Law Society, Moot Court Executive Board, Phi Alpha Delta, and the Tenant Assistance Project. Christopher has accepted a position with Morgan, Lewis & Bockius, LLP, in Washington, D.C.

Stephen M. Huguely & Allena Hatton Branch *continued*

Adella Denyse Gillispie, daughter of Charley and Del Gillispie, recently purchased a condo in Valparaiso, Indiana, approximately one mile from mom and dad. She loves her new home and enjoys preparing meals for herself.

Charley Gillispie had a birthday recently, last month, so he plans to retire in approximately five years from Valparaiso University (VU), Valparaiso, Indiana, 50 miles east of Chicago, Illinois. He still works with the President of VU, as vice-president for Administration & Finance (Chief Financial Officer).

Del Gillispie is still at Valparaiso University as Professor of Biology and Education; and Director of Licensure in the Department of Education. Del and her colleagues in Physics and Chemistry, recently wrote a STEM (Science, Technology, Engineering, Mathematics) National Science Foundation (NSF) grant for \$500,000, and the grant has made the final rounds for approval and funding. She is excited

Charley and Del love to travel to Florida, warm weather. Both were in Florida at the National Association of Colleges and University Business Officers (NACUBO) conference in Tampa in July. Charley made a presentation on *Net Revenue and the Financial Crisis on College Campuses*. There were approximately 250 people in attendance at his session. He did an outstanding job, per reviews.

Albida Gillispie resides at the Nathaniel House, 226 Brittany Court, Richmond, KY. She sends the Reunion her love and wants to remind you that she enjoys calls and letters. She really enjoyed attending the Reunion in Richmond last year. **Enoch** still resides on the family farm in Union City, KY. Please continue to keep both of them in your prayers. Enoch will be 93 in November. Praise God!

Lucian Huguely and Elizabeth Covington Branch

Hello family from **Madge Huguely**:

Reunion time has always been an exciting time year for me because of the opportunity to greet and laugh with all the family. This year my health has had its ups and downs. Though I'd love to be there, I don't feel that I'm able to make the Detroit trip. My prayers and spirit will be with each and everyone in attendance this year.

This year, since the last reunion, started out with sadness with the passing of my eldest son, **Charles H. Huguely**, September, 2010. It has been somewhat easier coping with the loss because he and I were able to say we loved each other before his passing. He had called and said, "I think about you all the time, I love you mom".

But my spirit was uplifted when I attended my oldest living

sister's, **Elizabeth Matchem**, 100th Birthday Celebration in Cincinnati, OH on March 12, 2011. Along with my youngest sister, **Lucy Fox** and about 200 family members and friends from Cincinnati and the Madison County (KY) areas. The highlights of the event were a letter from the President and Michelle Obama; a \$20,000 scholarship fund established in my sister's name at Gaines United Methodist Church by her past employer.

I was excited to welcome my first great, great, grandchild, **Jamison Robert Williams**, son of Frederick Blaine Williams, Jr, and great grandson of **Fred and Elizabeth Williams**.

Then, I was again saddened with the loss of my sister, Lucy Fox in May of this year.

All and all God has been good. My daughter **Sammie Kennedy** continues to reside at Brookdale Place#117, Montgomery Road, Cincinnati, OH 45242. She is doing well and looks forward to

receiving cards from family and friends.

In December of last year, my daughter **Elizabeth Williams** and her husband, **Fred Williams** celebrated their 50th wedding anniversary in Detroit MI with a host of family friends.

My son **Lucian** and his wife **Juanita** celebrated this year their 43rd. wedding anniversary.

I was recently honored for 50 years of service at my church by the Tates Creek Predestination Association. Also, I was blessed to celebrate my 94th birthday June 28, 2011 with family and friends.

I'm so blessed to have loving and caring children's as well as many friends who regularly call or visit and especially blessed to have my daughter who lives with me.

Hope to see everyone next year.

God Bless.

Greetings Huguely Family Members:

It has been one year since we all fellowshiped together in Berea, KY. Since that time we have been living life and serving the Lord. God continues to be faithful to our family as we continue to stand on His promises. This has been a year of transition and we thank God for our adversities as well as our blessings.

We are excited to share that **Toni** received two awards. She was honored as “Women of Rhine...Success Stories”. This award Over the represents her work and passion in the urban community for youth and families. She was most recently recognized by the Y-USA, Lumina Foundation, and the National College Goal Sunday for her “Outstanding Service” for her work in college readiness and access in Greater Cincinnati and Northern KY Communities. Toni is busy raising money for her God ordained mission trip to Israel in November. She asks for your support and prayers as God continues to expand her territory.

We are glad to celebrate the 57th year of this great family reunion. We give honor to our founders especially the patriarch and matriarch of this family, Madge and Lucian Huguely.

A VOICE FROM THE PAST – Amie Frances (Huguely) Gillispie**Stephen & Allena Huguely Branch**

Amie Frances (Huguely) Gillispie (August 22, 1909 – 2002), the daughter of the late Allena (Hatton) and Stephen Huguely, one of the original founder’s and organizer’s of the Huguely Family Reunion where she served as the first recording secretary.

On March 10, 1946, Amie married Enoch Gillispie and they had two children: Charley Edward and Albirda Frances.

She consistently reminisced about the old horse-drawn wagons filled with picnic baskets of home cooked fried chicken, corn pudding, green beans, pickled beets, greens, and an assortment of homemade cakes and pies with the majority of the food raised and grown on the farm. Not to mention homemade ice cream and ice in the ice house – water was drawn from a well. These were the ‘good ole days’ as Momma Amie constantly reminded her grandchildren of “what was good” back in the day. Yes,

these were the 'good ole days' when family members gathered at Aunt Mary Jane Nolan, Pleas and Lila Cavanaugh, and others.

Amie was a trained elementary education teacher, received her bachelor's degree from Kentucky State University, Frankfort, Kentucky. She was an advocate for young people furthering their education and making a difference in the world.

What is Amie's legacy to the Reunion? A love of family, specifically, a love of the Huguely Family Reunion. It is in her honor and memory that the Gillispie family started the Amie Frances Huguely Gillispie Scholarship Endowment Fund.

Favorite Song: *What a Friend We Have in Jesus*

Favorite Scripture: *Psalm 23*
