Hello to the Huguely Family Reunion. Another year has passed and there is plenty of good news to share with you.

We want to encourage you, that whenever something interesting happens to you and members of your family, mail the information to the Business Office then it can be used in the next issue of the NEWSLETTER.

STEPHEN M. HUGUELY AND ALLENER HATTON BRANCH

Charley and Del Gillispie Family

Congratulations to the Huguely Family in this the celebration of our 35th Reunion Anniversary. We are very thankful to God for his blessings this past year. Charley Gillispie, a partner in the international accounting firm of Deloitte Haskins and Sells, served as the Deputy Executive Director of the Financial Research and Advisor Committee for the city of Chicago during the summer of 1988. In this capacity Charley was the chief operating officer for a committee of business leaders that prepared a report to the Mayor of Chicago concerning cost containment and revenue enhancements for the 1989 budget and subsequent years. During the spring of 1989 Charley was appointed to a "Blue Ribbon Committee" to review the operations of the Cook County Recorder of Deeds. Charley chaired the Finance and Revenue Sub-Committee of the Blue Ribbon Committee. Charley serves on the investment Committee of the Chicago Urban League and the Business Advisory Committee of the Chicago Lighthouse for the Blind. Charley is active in recruiting minority accounting students for his firm.

Delphina, Charley's wife, is active in several volunteer organizations in West Suburban Chicago including the "Top Ladies of Distinction", which is a national serve organization. Del is on the Steward Board, Sunday School Board and usher board of DuPage African Methodist Episcopal Church.

Charley and Del's children, Christopher Edwin H., who is 8 1/2 years old, and Adella Denyse, 7 years old, are busy with soccer, swimming, scouts and all the other things second and third graders do. Both received high honors in music (piano) at North Central College, Naperville, Illinois

At the time of this writing, they have been blessed with a new baby

Michael Cobb, son of Lee and Dovie Cobb, and his wife Arlisa, became the proud parents of a son on February 21, 1989.

Dovie M. Crawford, daughter of Lee and Dovie Cobb, graduated from Coastal Business Training Institute on June 16, 1989 in Mobile, Alabama.

MACK HUGUELY AND MILLIE TURNER BRANCH

James and Alice Cornelison Family

The Cornelison segment of this branch has been well blessed. We thank the Lord for his blessings.

James Cornelison is in his 26th year with IBM, now working in Bethesda, Maryland. He is looking forward to retiring in 5 years or less, after which he plans on being a consultant in Computer Networking/Connectivity. At the present time he is preparing for that retirement by broadening his skill in that area.

Alice Cornelison, the wife of James Cornelison, has a fellowship for full-time doctoral studies in Adult and Higher Education at the University of Maryland. She is also a Historian as a result of co-authoring a history book entitled "History of Blacks in Howard County, Maryland". Alice also works with many county and state political, historical, geneological and civil rights groups. Like some of you, Alice has started her own business. Ask her about the product.

Dr. Terri Lynn Cornelison is the first born of James and Alice. She has just completed 4 years of OB-GYN residency at the Beth Israel Hospital in Boston. About mid-year 1990, she plans to start another 3 years of intensified training in the study of GYN Surgical Oncology. She is currently employed by Kaiser Permanente Health Maintenance Organization in Waikiki, Hawaii. She will remain there until her studies begin in 1990. Terri hopes that all her relatives will come to visit her while she is in Hawaii. Good fortune to you Terri.

Michael J. Cornelison is the second born of James and Alice. Michael is a Programmer employed by American Systems Incorporated, located in Virginia just outside of Washington, D.C. Mike has been in the Computer industry for 4 years. At American Systems he is heavily involved in Quality Control of submarine embedded software. This allows him to work with Fortran and DBASE/4. He has recently been given additional responsibilities that allow him to further enjoy the challenges while enhancing his skills. Mike is with his third employer since graduating from John Hopkins University School of Electrical Engineering. Mike

is enjoying the festivities of the reunion with his guest Chandra Davenport, who also lives in Virginia.

Erin Cornelison is the youngest of the siblings. Erin currently resides in Oak Park, Illinois, a suburb of Chicago. She says he really likes the Chicago area. I wonder what it is about the Chicago area that she likes. Erin is currently and has been employed by the Pansophic Corporation as an Economist for the past two years. She is part of the investment team for that organization. Erin accepted this employment after graduating from Swarthmore College in Pennsylvania, just south of Philadelphia. Erin is planning on continuing her economic studies at Chicago University while remaining employed with Pansophic. Since Erin has been learning to water ski, she may remain in the Chicago area for a while or wherever the water is plentiful. Good fortune to you Erin.

As always, the Cornelisons in Maryland welcome you. We are a 25 minute ride from downtown Baltimore and a 55 miute ride from Washington, D.C. God bless all of you.

JOHN A HUGUELY AND SARA BALLEW HUGUELY BRANCH

Sheila D. Harris, is a family member of whom we can be extremely proud. Correspondence was received at the Business Office from the Colorado Black Leadership Profiles announcing the following:

"We are indeed honored and proud to announce that SHELIA D. HARRIS is being featured in the premier edition of COLORADO BLACK LEADERSHIP PROFILES Yearbook (CBLP). It is a new publication that recognizes outstanding Black men and women for their success and leadership achievements in Colorado.

To be featured in CBLP Yearbook, one must be in a leadership position of authority and influence and make decisions over others in a job, profession, business or community organization. They must also be highly recommended by someone else.

Ms. Harris easily meets these requirements and we are excited and pleased to be able to feature her as a role model to help motivate Black youth and other Coloradans.

Congratulation and Continued success to Shelia D. Harris."

Shelia is the daughter of Homer and Lydia Harris of Richmond, Kentucky.

Anyone desiring further information on this publication can contact the Business Office or Shelia.

LUCIAN HUGUELY AND ELIZABETH COVINGTON BRANCH

Lucian and Madge Huguely Family

Erika Kennedy was recently awarded a trophy for making A-Honor Roll all four quarters in the college prep program at Roselawn Condon School. Erika rated in the 99th percentile on the California Achievement Test in the areas of Reading, Language and Math. She also received pins and certificates for perfect attendance (4 quarters) and Outstanding Achievement in Math.

Erin Kennedy graduated Cum Laude from Walnut Hills High School in 1988. She was a National Achievement semi-finalist, finalist and scholar and was awarded the President's Achievement Fitness Award. In her junior year, she was awarded the Williams College Book Award. She also won scholarships from the University of Chicago, Cincinnati Federation of Teachers and Trinity Baptist Church. Erin recently completed her freshman year at the University of Chicago. She was chosen to participate in the Summer Research Program sponsored by the University of Chicago and other Big Ten Schools. This program fosters interest in research and admission to graduate and professional schools by minority students. The students gather data for graduate students working on their dissertations. The lab in which the students work is under the direction of a world renowned professor at the university.

Erika and Erin are the daughters of George and Sammie Kennedy. We are very proud of Erika's and Erin's achievements.

Toni Miles is very proud to spotlight her daughter Luciana Miles for achievements during the school year of 1988-89. Luciana, a first-grader at Woodford Primary, received Honor Certificates for Scholastic Achievement, Effort, Citizenship and Attendance. She also consistently scored above the first grade level during the National California Achievement Test (CAT). Under the language category, Toni is proud to share that Luciana scored in the 99 percentile. Luciana is the grand-daughter of Albert and Margaret Moran.
