

Hello Huguelys !!!!!

Hoping all my peeps are good!

This has been an awesome year as VP under our great leader Sandra!!! As we draw closer to August, I am excited about seeing my family from near and far. Remembering back to last year in Gatlinburg TN, we turned it out.....Wondering what lies ahead in our home place Madison County, KY. I am so excited about the planning that is already in place for 2020...The Derby City!

Everyone be safe and see ya in Kentucky!

Vicki Ballew-Mitchell..... VP

Hello Family, I am excited about the upcoming 65th family reunion. Sixty Five years we have been blessed to gather and celebrate our family. Over the years we have traveled near and far to celebrate and embrace our family heritage. I remember family bringing covered dishes and all the family putting their dishes together to have one big spread. Oh boy how we looked forward to the dishes that our family would bring. Did she make that apple pie, or fried chicken? I would be thinking of all the good food our cousins had made. As time brings us to the present it not as easy for those to travel to prepare and bring food....but it's still good to gather and break bread (no matter who the cook is.)

Our Madison county cousins have planned a great reunion for us. Don't let all their planning be in vain. Please make our reunion a priority, for you and your family...without your attendance and participation the reunion suffers. I urge you to pay your \$20.00 dues (18 and up). Your dues help to sustain the reunion and the scholarship fund. If you are interested in applying for the scholarship please visit <https://huguelyfamilyreunion.com> and follow the instructions. Please send all documents electronically to the Scholarship Chairperson, Del Gillispie at: Del.Gillispie1250@gmail.com, by July 1. As we look to the future, what does the next 65 years of the Huguely Family Reunion look like? What are you willing to do to extend its existence? What talents and gifts can you give to your reunion? I can definitely say, I didn't plan on being your president, but it made my heart sad to know the position maybe vacant. This reunion, our family is important, and I want to see it to continue. How about you? Get involved and help this reunion to grow! **What's the news?** It's time for newsletter submissions. Please send, photos articles etc. to: Jasmine.clark109@gmail.com. Deadline for submissions is July 1.

Wishing you all traveling grace and mercy! See you soon.

Sandra Ballew-Barnes
President
