Dear Huguely Family,

I am sending this correspondence with love and gratitude!!! We are blessed to have come this far by FAITH. Wow, who would have thought our world would have experienced such a thing as a "Pandemic"? I pray that each one of you are doing well. As you are probably used to hearing "Due to the Pandemic" the 2021 Family Reunion will be held virtually again this year. Please save the date as we want every family member to join in the festivities on August 13-15<sup>th</sup>. Our planning committee, led by Tonya Williams, is working hard in planning our 2021 Huguely Virtual Family Reunion!!! We want everyone to join in so work on any technology issues you have so that you can connect. Our Detroit cousins are making plans for us to join them in person for the 2022 Reunion. Save your coins so that you can come to the 'D' in 2022.

Jasmin Riggins will tell you how to send us your newsletter information. "We have a lot of catching up to do. Since COVID-19 is once again keeping us apart this year, I feel it is vital for us to connect with one another through our family newsletter. Please update us on your family's adventures this year. Attach your completed document and email it back to our NEW newsletter email account [huguelyhappenings53@gmail.com](mailto:huguelyhappenings53@gmail.com) by July 1st, 2021! ". Thanks Jasmine, we look forward to a great newsletter!!

The reunion body continues to maintain Doylesville Cemetery, where our forefathers and Huguely time capsule are buried. A new fence and gate were installed to keep the livestock out of the cemetery. Also, trees and weeds were cleaned out of the cemetery. We are grateful to John Shearer for leading this effort and making sure all the work was completed and satisfactory. The reunion paid for all labor and materials for this project. We could not have paid for this project without our family dues. It is vital that each member continue to support the reunion by paying our annual dues. Make sure to either mail your money order to Donna Clark or send them via PayPal. Each family member 18 yrs. and older is responsible to pay \$20.00 yearly. If you missed paying your dues in 2020 as some of you may have, please send your dues for this year and last. We appreciate your support and honoring your family commitment.

Are there any family members attending college?? Please make sure to check out the family scholarship. Enclosed please find the details on how to apply for this year's scholarship award. Family members don't forget \$10.00 of your dues helps to sustain the scholarship fund. Your participation helps us to continue to support our youth.

With Love
